

LiteracyPlanet Classroom BINGO

How to play:

- **Print the Bingo Sheets:** You can either print one for the classroom or give each student their own sheet—whichever works best for you!
- **Set a Time Limit:** Decide on a time frame for your students to complete each row. This adds a fun challenge!
- **"BINGO!"**: When a student finishes all the tasks in a row, they can proudly shout "BINGO!" as their signal of victory!
- **Reward Time:** Celebrate their achievement by giving them a Word Mania secret code as a special reward!

Here are three secret codes for you to share:

- **runforestrun** - Forest backgrounds
- **winterwonderland** - Snow backgrounds
- **lavalytomeetyou** - Volcano backgrounds
